

Colorado Springs Rod & Custom

Oct-Nov 2021 Newsletter

October started off with a Fall Cruise on Oct 17 setup by **Bob Collins and Dorsie**. It involved a Poker Run managed by Dorsie and won by **Eric Rawls** who took home \$100. 16 cars and 25 people enjoyed the great weather while the Cruise went up Elbert road to Elizabeth ending with lunch in Palmer Lake. Good Job guys!

Several of us went to Joel Davis's swap meet in Canon City.

The annual Turkey Run with toy collection for Ft Carson families on November 14th. Again this year **Marv Shughart, Laura and Juan** set it up and did a great job like last year. Included this year were Friends of C/S Rod & Custom many of whom were past Club members. 25 cars took part and at the restaurant we counted 45 people. Marv had \$200 worth of prizes from our Club and more from local businesses and participants. The Cruise included Old Colorado City and Garden of the Gods but ended at Famous Dave's BBQ. A great time was by all. **Many Thanks to Marv and Laura** for an outstanding time!

Part of our toys collected for Santa's Workshop, Ft Carson.

Sarah is Fundraiser and Amanda (right) is president. This donation by our Club represents over 10 years of our Club's support.

Marsh and Sandy Sanders suggested we do this originally.....

Congratulations to **Bob Simmons** and his Safety 23 inspection team for achieving #1 in USA for inspections. They sincerely believe that two sets of eyes are better than one. When you consider the population density of the high country they serve this becomes and even greater accomplishment!

Many of us attended **Harmon Jones** funeral on Thursday, Dec 2nd. A huge gathering of rods & customs filled the church parking areas and moved the Pastor to comment on the beauty displayed. Many of us also attended the Potluck gathering at A-1 Street Rods after the service. Sarah has said she will continue the business after the first of the year.
