December 2021 Newsletter

Happy New Year! Hope you all made it through the Holidays in good health!

December was a busy month for all of us and our Car Club was no exception. Our annual Christmas Party was on Dec 7th and attended by 51 people. Held at the big room of the Patty Jewett Golf Club, we may have found our venue for next year.

Bob & Pat Collins. In their usual fine efforts made the Party special with finding the place, decorations, camaraderie and fun. We'll be seeing more of them as they are to be our President and Vice President for 2022. Pat has broken the glass ceiling as President...

Marsh Sanders won The Member of The Year Award which was created and presented by Kent Carlson.

This handsome lap robe was sewn by Honorary Member, Phyllis Anderson, Brian's Mom. Something she does each year and prized by those who win it.

John Mack won the 50/50 cash prize.

The second meeting of December, our annual Pizza Party, was held at Pizza Time and was arranged by Tony Vigil. I'm guessing we had 30 people attending and we enjoyed great pizza and fellowship. We always include our spouses and this year a potential new member as well in Derek Martino.

Thanks Tony it was a fun time!

At the last Club Meeting J R Nandin shared some artwork of his '40 Coupe done on wood; Painted or wood burned by an artist he met. Sounded like they were \$50 each. Contact JR at 719 210-0013 for how to order.
